

Call for Workshop Proposals

Ontario Society of Occupational Therapists' 2025 Conference

 **October 23-24, 2025**

 **Marriott Downtown at CF Toronto Eaton Centre**

About the Ontario Society of Occupational Therapists (OSOT)

The Ontario Society of Occupational Therapists (OSOT) is the provincial association of occupational therapists (OTs), occupational therapist assistants (OTAs), and students living and/or working in Ontario. Over **4,800 members** strong, OSOT plays an important role in shaping the practice of occupational therapy and sharing the voice of our members with the public, government, and industry partners.

Present at the 2025 OSOT Conference

OTs, OTAs, students, researchers, and industry partners are invited to submit proposals for the 2025 OSOT Conference. We look forward to welcoming you to the [Marriott Downtown at CF Toronto Eaton Centre](#) on **October 23-24, 2025**.

OSOT's conference is workshop based, featuring **60 and 90 minute sessions**. We are seeking submissions that provide practical strategies, highlight changes to best practice, and/or demonstrate innovative models of care. **Consider presenting on:**

- Aging in Place
- AI/Technology
- Community-based Care
- Home Modification/Inclusive Design
- Long-Term Care
- Mental Health/Psychotherapy
- Paediatrics
- Practice in the Auto Insurance Sector
- Primary Care
- Return-to/Stay-at Work
- Seating and Mobility
- Trauma-Informed Care
- Value-based/Hybrid Care Models
- Working in Hospital

Are you thinking about presenting a different topic? [Contact us and share your idea](#). OTs and OTAs practice across health sectors, making workshop possibilities endless.

Proposals are peer-reviewed and will be weighted based on the following criteria:

- includes cited research or evidence/data to substantiate information being presented
- includes practical information
- reflects current or potential future occupational therapy practice
- reflects current trends in health care
